As per

## UK Government Press Statement 2<sup>nd</sup> March.

We fully understand the public concern, your concern about the global spread of the virus. As a business keeping our customers safe is our overriding priority. Please be assured that as part of our continued daily checks and systems we are committed to doing everything possible from the advice of our local NHS & Government departments.

### Coronavirus statement issued to the BBC:

*'To be absolutely clear that for the overwhelming majority of people who may contract the virus, this will be a mild disease, from which they will speedily and fully recover, as the country has already seen.' It is "highly likely" that there will be a growing number of coronavirus cases in the UK, but that the country is "extremely well prepared".'*

Please help us to help you.

Wash your hands as and when available.

We continue to provide disposable hand towels that are disposed of daily & have added additional daily checks to our normal routine. Please be assured that we are committed to our continued high standards of cleanliness, machine high temperature washes, Dettol 99.99% kill anti-bacterial surface to air dry system & disposable finish.

Thankyou Jay, Kelly & the OVI Team.
